# Early One Morning

Traditional

**C**            **Am**            **F**            **G7**  
Early one morning, just as the sun was rising  
**C**            **Am**            **F** **G7** **C**  
I heard a maid singing in the valley below.

*Chorus*

**G7**            **C**            **G7**            **C**  
"O, don't deceive me, O never leave me.  
**C**            **F**            **G7**            **C**  
How could you use a poor maiden so?"

"Remember the vows that you made to your  
Mary;  
Remember the bow'r where you vow'd to be  
true."

*Chorus*

"O gay is the garland, and fresh are the roses  
I've culled from the garden to bind on your  
brow."

*Chorus*

Thus sung the maiden her sorrows bewailing.  
Thus sung the poor maid in the valley below.  
begins to glow.

*Chorus*

# Yellow Submarine

The Beatles

**D C G**  
In the town where I was born

**Em Am C D**  
Lived a man who sailed to sea

**G D C G**  
And he told us of his life

**Em Am C D**  
In the land of submarines

**G D C G**  
So we sailed on to the sun

**Em Am C D**  
'Til we found a sea of green

**G D C G**  
And we lived beneath the waves

**Em Am C D**  
In our yellow submarine

## Chorus

**G D**  
We all live in a yellow submarine

**D G**  
Yellow submarine, yellow submarine

**G D**  
We all live in a yellow submarine

**D G**  
Yellow submarine, yellow submarine

As we live a life of ease (a life of ease)

Every one of us (every one of us)

Has all we need (has all we need)

Sky of blue (sky of blue)

And sea of green (sea of green)

In our yellow (in our yellow)

Submarine (submarine, aha)

## Chorus

# Four Strong Winds

Neil Young

**C Dm**  
Think I'll go out to Alberta

**G C**  
Weather's good there in the fall

**C Dm G**  
I got some friends that I could go to working for

**C Dm**  
Still I wish you'd change your mind

**G C**  
If I ask you one more time

**Dm F G**  
But we've been through this a hundred times or more

## Chorus

**C Dm**  
Four strong winds that blow lonely

**G C**  
Seven seas that run high

**C Dm G**  
All those things that don't change, come what may

**C Dm**  
If the good times are all gone

**G C**  
Then I'm bound for movin' on

**Dm F G**  
I'll look for you if I'm ever back this way

If I get there before the snow flies  
And if things are lookin' good  
You could meet me if I send you down the fare  
But by then it would be winter  
Not too much for you to do  
And those winds sure can blow cold way out there

## Chorus

# Dust in the Wind

Kansas

**C G Am**

I close my eyes,

**G Dm Am**

Only for a moment, and the moment's gone

**C G Am**

All my dreams,

**G Dm Am**

Pass before my eyes, a curiosity

**D G Am D G Am**

Dust in the wind, all we are is dust in the wind.

Same old song,

Just a drop of water in an endless sea

All we do,

Crumbles to the ground, though we refuse to see

Dust in the wind, all we are is dust in the wind

(Now) don't hang on,

Nothing lasts forever but the earth and sky

It slips away,

And all your money won't another minute buy.

Dust in the wind, all we are is dust in the wind

Dust in the wind, everything is dust in the wind.

# Let It Be

The Beatles

**C** **G**  
When I find myself in times of trouble

**Am** **F**  
Mother Mary comes to me

**C** **G** **F C**  
Speaking words of wisdom: Let it be

**C** **G**  
And in my hour of darkness she is

**Am** **F**  
Standing right in front of me

**C** **G** **F C**  
Speaking words of wisdom: Let it be

**Am** **G** **F** **C**  
Let it be, Let it be, Let it be, Let it be

**C** **G** **F C**  
Whisper words of wisdom: Let it be

When all the broken-hearted people  
Living in the world agree, there will be an answer  
Let it be

Although they may be parted  
There is still a chance that they will see

There will be an answer, Let it be  
Let it be, Let it be, Let it be, Let it be

Whisper words of wisdom: Let it be

And when the night is cloudy

There is still a light that shines on me

Shine until tomorrow

Let it be

I wake up to the sound of music

Mother Mary comes to me

There will be no sorrow, Let it be

Let it be, Let it be, Let it be, Let it be

Whisper words of wisdom: Let it be

# Hallelujah

Leonard Cohen

**C** **Am**  
Now I've heard there was a secret chord  
**C** **Am**  
That David played, and it pleased the Lord  
**F** **G** **C** **G**  
But you don't really care for music, do you?  
**C** **F** **G**  
It goes like this, the fourth, the fifth  
**Am** **F**  
The minor falls, the major lifts  
**G** **E** **Am**  
The baffled king composing Hallelujah  
**F** **Am** **F** **C G C G**  
Hallelujah, Hallelujah, Hallelujah, Hallelu-u-jah

Your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew her  
She tied you to a kitchen chair  
She broke your throne, and she cut your hair  
And from your lips she drew the Hallelujah  
Hallelujah, Hallelujah, Hallelujah, Hallelujah

Well, maybe there's a God above  
As for me all I've ever learned from love  
Is how to shoot somebody who outdrew you  
But it's not a crime that you're here tonight  
It's not some pilgrim who claims to have seen the Light  
No, it's a cold and it's a very broken Hallelujah  
Hallelujah, Hallelujah, Hallelujah, Hallelujah

Well people I've been here before  
I know this room and I've walked this floor  
You see I used to live alone before I knew ya  
And I've seen your flag on the marble arch  
But listen love, love is not some kind of victory march, no  
It's a cold and it's a broken Hallelujah  
Hallelujah, Hallelujah, Hallelujah, Hallelujah

**C**                                **E7**  
Love me tender, love me true  
**Am**                    **E7**  
All my dreams fulfill  
**C**                                **D7**

**G7**                    **C**  
And I always will

Love me tender, love me dear  
Tell me you are mine  
I'll be yours through all the years  
'Till the end of time  
Love me tender, love me true  
All my dreams fulfill  
For, my darling I love you  
And I always will  
Love me tender, love me true  
All my dreams fulfill  
For, my darling I love you  
And I always will  
Always will
